

In re Hagenbuch
Attorney Docket 58448

an electronic processor on-board the vehicle for collecting the weight data and the unique code and correlating the weight data with the unique code and means for compiling a historical record of successfully collected and correlated weight data and unique codes for use in evaluating the performance of the vehicle.

65. A system as set forth in claim 64 including means for loading the vehicle such that the unique code is successfully retrieved by the means on-board the vehicle in conjunction with the loading of the vehicle.

Conclusion

In view of the above amendments and remarks, the application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue.

If in the opinion of the Examiner a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney at (312) 616-5600.

Respectfully submitted,

By
